

International Journal of Management Theory and Practices **(ISSN: 1532-5679) Call for Papers**

IJMTP invites prospective authors to submit original manuscripts for possible publication in this international journal (<http://www.myacme.org/ijmtp>).

Aims and Scope

The *International Journal of Management Theory and Practices* (IJMTP) provides a forum for senior managers in business and industry, managers and administrators in government and public service agencies, teachers and trainers in management, public administration and related fields, information technology suppliers, service providers, information consultants, systems analysts and researchers in business and information studies. IJMTP also provides a focus and source of up to date information on the developing field of information management. Papers are welcomed in the areas of information systems, organizations, management, POM, supply chain management, decision making, long term planning, computer and telecommunication technologies, human communication and people in systems and organizations. The journal publishes original papers and review articles in all management and business related fields. IJMTP has been published annually since August 2000 and is listed in the *Cabell's Directory of Publishing Opportunities* in Accounting, Economics & Finance, Management/MIS, and Marketing areas.

Refereed Procedure

Each submission will be reviewed by at least two external reviewers. Reviewers' comments and recommendations will be sent to Editor-in-Chief. Editor-in-Chief will then send the result to the corresponding author.

Copyright

Authors submitting articles for publication warrant that the work is not an infringement of any existing copyright and will indemnify the publisher against any breach of such warranty.
